ATA Registration Certificate

This certifies the Medford Gun Club has been authorized to hold a registered shoot at Medford, Oregon on June 28 through June 30, 2019. ATA rules shall govern this shoot and all scores shall be included in the official records of the Amateur Trapshooting Association. Hunter Galloway III, Secretary

Shooter's Responsibility

Display **ALL** your average cards or computer-generated averages at the Handicap Table immediately upon arrival. Shooters are required to have both their 16 yard and doubles averages computed for use by the Handicap Committee.

PENALTY: At this shoot, class and yardage penalty will apply to shooters who do not have 500 16-yard and handicap **targets in the current and previous year**. Class B and 21yards will be assigned. 300 targets are required in doubles in the **current and previous year**, or shoot Class B.

Be sure your classification and handicap yardage are marked plainly on your entry form before you leave the table. It is your responsibility to know the rules. You are subject to penalties for shooting the wrong classification or on the wrong yardage even if your card is so marked.

Targets shot in PITA registered competition may be counted to avoid penalty classification. It shall be the shooter's responsibility to inform the Handicap Committee as to their eligibility for special classification (Lady-1, Lady-II, Sub-Veteran, Veteran, Senior Veteran, Junior Gold, Junior and Sub-Junior) to be indicated on their entry form. Without such a declaration at the time of entry, the shooter will not be allowed to compete for the applicable special category trophies. NO EXCEPTIONS to this rule will be allowed.

If possible, please enter all events you plan to shoot at the time of your initial entry. This will save a considerable amount of time and make things more pleasant for all shooters.

No counter checks or second party checks will be accepted by the Cashier. Checks will be accepted for shooting fees only, no exceptions. All entries must be made in US funds payable to Medford Gun Club.

RULES: By entering the competition, every contestant agrees to accept all official decisions and to abide by the ATA rules. Members are strongly encouraged to know the ATA rules and abide by them, both for their own benefit and for the benefit of other shooters.

Class winners and ties will not be advanced one class for the next like event.

THREE MINUTE WAIT: Be ready to shoot when your squad is called. No shooter will be called on the speaker. Your squad will be allowed a wait of three minutes for you to take your place.

PLEASE CHECK YOUR SCORE AFTER FIRING AT EACH 5 TARGETS: According to ATA rules, the score keeper must keep the score sheet in plain view of the shooters at all times. If shooters insist on this, many arguments may be avoided. The squad leader (No. 1 shooter) will total the score after each 25 targets and initial the score sheet before leaving the trap. Errors made in totaling will be corrected when discovered. Any target other than clearly marked dead, shall be lost.

SHORT SQUADS: Short squads will be avoided when possible.

RELOADS: Reloads will be permitted at this tournament.

SAFETY: All persons including competitors, referees and trap personnel must wear eye and hearing protection while on the trap field. Failure to comply may result in disqualification.

GUN BREAKDOWN: In case of gun breakdown, a shooter will be allowed fifteen (15) minutes for gun repair or replacement.

CROSS REGISTRATION: Targets may be cross-registered with the PITA subject to all fees, rules and requirements. Shooter must shoot from their longest yardage and earned yardage will be punched on both cards.

TARGET SETTING: Targets will be set each morning and between events by the target setting committee according to ATA rules. Re-setting of targets will only be done by Medford Gun Club officials or designated line judges.

SHOOT-OFFS: With the exception of Events 1 and 3 (see #8 below), shoot-offs will be held following the last event of the day in the order the events were shot. The first call will be announced 15 minutes after the last squad, in the last daily event, has finished shooting. The second call will be 5 minutes later. Any shooter who does not report to their assigned trap within five minutes after the second call will be disqualified. Ties will be shot off in all events unless all shooters involved in the tie agree to carry-over or other resolution of the tie.

IRS REGULATIONS: IRS regulations require a Social Security number for payout values of \$600.00 or greater.

PAYOUTS: The shooter must check the payout sheets before the start of the last event. Problems must be resolved prior to the end of the shoot or the results will stand as posted. Payouts will be made by check only and mailed within 10 days of the end of the shoot.

REFUNDS: No entry fee, purses, or options will be refunded after an event has started.

TROPHIES:

1 Should you win or tie for class in any singles or doubles event, or earn yardage in any handicap event, it shall be your duty to report to the Handicap Table and have your classification reviewed or yardage punched. Any shooter whose class or yardage is changed for any reason shall be considered to be notified when the new class or yardage is posted on the bulletin board.

2 Any shooter failing to carry out rule # 1, or who shoots in a class or on a yardage marked higher or lower than that which is marked on his card, will be subject to penalty and will not be eligible to share in any money division or trophy whatsoever.

3 Only one (1) ATA trophy shall be awarded to any one (1) person in any separate event.

4 At all tournaments where All American points will be awarded, shooters may declare only one (1) Category (i.e. Lady 1, Lady II, Sub-Junior, Junior, Junior Gold, Sub-Veteran, Veteran or Senior Veteran).

5 Any shooter who is tied for event Champion may shoot-off for the Championship trophy. If a shooter fails in the Championship trophy shoot-off and has declared a Special Category at classification, the shooter will fall back to his/her declared Category.

6 Any shooter who has declared a Special Category at Classification and whose score qualifies him/her for any trophy in his/her declared Category will compete for the Category trophy and not for place, class or yardage group.

7 Any Category shooter whose score doesn't qualify for a trophy in his/her Category may compete for place, class or yardage group. There will be no exceptions to this Rule.
